CONFIDENTIALITY AGREEMENT

It is our policy that information obtained by anyone working as a volunteer or in a staff position must remain CONFIDENTIAL regarding children and their families who are utilizing the Nursery. The integrity and success of the Nursery is built on volunteer support from the community. Your efforts in this area are critical to the success and service the Nursery can deliver to the community.

Therefore, information obtained while volunteering at the Nursery must be kept in confidence. If you see children who have utilized the Nursery in the past in a public place, please don't approach them. Wait for them to initiate contact with you. **Also, the children at Greater Minneapolis Crisis Nursery may not be filmed or photographed under any circumstances.** Volunteers and groups from the community may be photographed using the Nursery murals as backgrounds. Thank you for respecting our Confidentiality policy.

We understand the above statement and will uphold the policy of confidentiality with Greater Minneapolis Crisis Nursery.
