

Greater Minneapolis Crisis Nursery Partnership Opportunities

As a **trusted resource for families**, the Greater Minneapolis Crisis Nursery focuses on prevention of child abuse and neglect by providing a critical safety net for children and families facing crises such as poverty, homelessness, hunger, domestic violence, or other difficult situations.

As a partner, you will be providing critical access to the services provided by Greater Minneapolis Crisis Nursery

- Emergency overnight care for children
- 24-hour crisis helpline
- Crisis counseling
- Clinical home visiting and mental health programs
- Education and connection to additional community resources

"The Nursery helped me - ensuring my son was safe and well taken care of while I made preparations for a better future"

- Maria, mom of two

Together we can ensure families in crisis have somewhere to turn.
